SUBJECT: BOARD

**SECURITY AGREEMENT
(Railroad Car/Locomotive)**

THIS SECURITY AGREEMENT (the "Agreement") is made and entered into as of May 3, 2001, by and between [i] **VMV ENTERPRISES, INC.**, a Kentucky corporation, (hereinafter referred to as "**Borrower**"), having a mailing address of 1300 Kentucky Avenue, Paducah, Kentucky 42003; and [ii] **BANK ONE, KENTUCKY, NA**, a national banking association (hereinafter referred to as "**Lender**"), having a mailing address of 416 West Jefferson Street, Louisville, Kentucky 40202.

IT IS AGREED BY THE PARTIES AS FOLLOWS:

1. Definitions.

1.1 Loan Agreement. Any capitalized term used but not defined herein shall have the meaning ascribed thereto in the Loan Agreement dated as of December 15, 2000 between Borrower and Lender (the "Loan Agreement").

1.2 Defined Terms. In addition to the other terms defined in this Agreement, whenever the following capitalized terms (whether or not underscored) are used, they shall be defined as follows:

"Code" means the Uniform Commercial Code, as enacted in the Commonwealth of Kentucky, Section 355.01-101 et seq. of the Kentucky Revised Statutes, as amended from time to time.

"Railcar Collateral" means (i) all of Borrower's rights, titles and interests in and to all railroad cars, locomotives or other rolling stock and accessories used on such railroad cars, locomotives or other rolling stock (including superstructures and racks), including cabooses, bulkhead flat cards, box cars, open top hoppercars, wood rack cars, gondolas and all other rail and rolling stock as may be further described in Schedule 2 attached to and made a part of this Agreement; (ii) all certificates of title and all other evidence of title pertaining to the foregoing; (iii) all books, records and files of whatever type or nature, whether or not written, stored electronically or electromagnetically or in any other form, relating to any or all of the foregoing; (iv) all of the products and proceeds of all of the foregoing, including proceeds of any insurance; and (v) all of the foregoing, whether now owned or existing or hereafter acquired or arising, or in which Borrower now has or hereafter acquires any rights or interests.

2. Grant of Security Interest. For valuable consideration, the receipt of which is hereby acknowledged by the Borrower, and to secure the indebtedness and undertakings and other Obligations of the Borrower referred to in Section 3 hereof, including but not limited to those evidenced by or established pursuant to the "Loan Documents" defined in Schedule 1 to this Agreement, Borrower hereby pledges, assigns, transfers, and grants to Lender a continuing security interest in the Railcar Collateral, together with all instruments, documents, securities, cash, property, and the proceeds of the Railcar Collateral, owned by Borrower or in which Borrower has an interest

or which are in transit by mail or carrier to or in the possession of any third party acting on behalf of Lender, without regard to whether Lender received the same in pledge, for safekeeping, as agent for collection or transmission or otherwise or whether Lender had conditionally released the same; and all cash or non-cash proceeds of any of the foregoing.

3. Obligations Secured. This Agreement is made as collateral security for, and the security interest granted in the Railcar Collateral secures all of the indebtedness and obligations described in Schedule 1 attached to and made a part of this Agreement (hereinafter sometimes referred to collectively as the "Obligations").

4. Representations and Warranties. Borrower represents and warrants to Lender that:

4.1 Borrower is the owner of the Railcar Collateral free from all liens and security interests as of the date hereof except for the liens and security interests created by this Agreement.

4.2 Borrower has the right to enter into this Agreement, the execution and performance of which will not, either immediately, or with notice and/or passage of time, result in the creation or imposition of any encumbrance upon any of the Railcar Collateral except as granted hereby.

4.3 The Railcar Collateral is used for business purposes, and [i] all of the Railcar Collateral is physically located at and [ii] the registered office of Borrower in Kentucky and the principal and chief executive offices of Borrower are located at, the address for Borrower first set forth in this Agreement, or at such address and such other locations as have been disclosed to Lender by Borrower in Exhibit A attached to and made a part of this Agreement (subject, however, to the movement of the Railcar Collateral in the ordinary course of Borrower's business).

4.4 At no time during the previous five (5) years has the Railcar Collateral been physically located, or the Borrower maintained a principal office, or a registered office in the Commonwealth of Kentucky, other than at the locations disclosed in the immediately preceding paragraph of this Agreement (subject, however, to the movement of the Railcar Collateral in the ordinary course of Borrower's business).

4.5 At no time since its formation has Borrower operated under any assumed name or other name than the name of Borrower first set forth in this Agreement.

4.6 Borrower does not own any locomotives or railcars except as identified on Schedule 2.

5. Covenants. Borrower agrees with Lender that until the Obligations have been paid in full and discharged to the satisfaction of Lender, Borrower:

5.1 Will execute and deliver to Lender all documents required pursuant to 49 U.S.C. §11301 (and successor provisions) and the regulations thereunder, information, legal descriptions, UCC-1 and other Financing Statements, certificates of title, applications for title, lien noting applications and all other evidence of title, and such other documents and instruments pertaining to the Railcar Collateral as are necessary in the sole opinion of Lender to create, perfect, maintain, preserve and enforce the security interest of Lender in the Railcar Collateral.

5.2 Will defend the Railcar Collateral against the claims and demands of all persons; comply in all material respects with all applicable federal, state and local statutes, laws, rules and regulations, the noncompliance with which could have a material adverse effect on the value of the Railcar Collateral or the security intended to be afforded Lender hereby; and pay all ad valorem property taxes which constitute or may constitute a lien against any of the Railcar Collateral, prior to the date when penalties or interest would attach to such taxes.

5.3 Will maintain or cause to be maintained, with financially sound and reputable insurers, such insurance with respect to its properties, assets and business, against loss or damage of the kinds customarily insured against by enterprises of established reputation engaged in the same or a similar business and similarly situated, of such types and in amounts as are customarily carried under similar circumstances by such other enterprises.

Without limiting the generality of the foregoing, Borrower will, if requested by Lender, insure the Railcar Collateral at Borrower's expense against such risks, in such amounts, and with such insurers as Lender may request. Such policies of insurance shall contain waiver of subrogation clauses, shall name Lender as an insured-loss payee pursuant to a standard lender's endorsement and shall provide that such policies may not be cancelled or modified except on thirty (30) days' prior written notice thereof from the insurer to Lender and otherwise shall be on terms satisfactory to Lender. Borrower shall promptly deliver the original or, at the option of Lender, certificates of all such insurance policies to Lender and shall also cause to be delivered to Lender all renewals thereof. Borrower shall also deliver to Lender at least ten (10) days prior to the respective due dates, renewal dates or expiration dates of such policies, proof of advance payment of all premiums thereof. If Borrower fails to obtain such insurance, Lender shall have the absolute right (but not the obligation) to obtain same at Borrower's expense, and Borrower shall reimburse Lender therefor, with interest thereon at the rate of interest per annum from time to time applicable under the Promissory Note (Term Loan) described in Schedule 1 hereto (such interest rate is referred to hereinafter as the "Applicable Rate"), immediately upon Lender's demand.

Borrower hereby assigns to Lender all rights to receive proceeds of all insurance which is or may be required pursuant to this Section 5.3, not exceeding the unpaid balance of the Obligations to Lender, and authorizes Lender as the agent of Borrower and its attorney-in-fact to obtain such proceeds and to endorse and negotiate any draft for such proceeds in Borrower's name or otherwise. In the event of damage or destruction of any of the Railcar Collateral covered by such insurance, any proceeds from such insurance shall upon request of Lender, be paid to Lender and, at the option of Lender, be applied either to reduce the Obligations, or endorsed to Borrower and

disbursed from time to time by Lender at Borrower's written request but only for the repair and/or replacement of such damaged or destroyed Railcar Collateral. While such insurance proceeds are in the possession of Lender, Lender shall have and hereby is granted by Borrower a first and prior security interest in such proceeds and cash and in all the repaired and replaced Railcar Collateral, and Borrower shall execute all such instruments in connection therewith as Lender shall require.

5.4 Will keep the Railcar Collateral in good condition and repair, reasonable wear and tear excepted, and will permit Lender and its designees to inspect the Railcar Collateral and the books and records of Borrower at any reasonable time and from time to time.

5.5 Will maintain accurate records of the Railcar Collateral, and will permit Lender, upon request by Lender from time to time, to inspect the Railcar Collateral and all evidence of ownership of the Railcar Collateral and all other books and records relating to the Railcar Collateral.

5.6 Will advise Lender in writing, at least thirty (30) days prior thereto, of any change in the Borrower's principal place(s) of business, or chief executive office, or any change in the locations where any of the Railcar Collateral is kept (subject, however, to the movement of the Railcar Collateral in the ordinary course of Borrower's business), or of any change in Borrower's name or the adoption, whether formal or informal, by Borrower of any "trade name" or "assumed name."

5.7 Will preserve and maintain its corporate existence in good standing and will be and remain qualified to do business in good standing in all jurisdictions in which required to be so qualified, and will maintain all permits, licenses and other similar authorization necessary or appropriate for the operation of its business.

5.8 Will not permit any part of the Railcar Collateral, or any of the records concerning same, to be removed from the present locations thereof without the prior written consent of Lender, provided such consent is not unreasonably withheld (subject, however, to the movement of the Railcar Collateral in the ordinary course of Borrower's business).

5.9 Will not permit any liens or security interests to attach to any of the Railcar Collateral except the security interests created by this Agreement.

5.10 Will not permit any material part of the Railcar Collateral to be levied upon under any legal process.

5.11 Will not sell, assign, lease or otherwise dispose of any of the Railcar Collateral except in the ordinary course of business prior to an Event of Default and when such disposal of Railcar Collateral shall not have a material adverse effect on the business of Borrower, without the prior written consent of Lender.

5.12 Will not permit anything to be done that may impair the value of any of the Railcar Collateral or the security intended to be afforded (material to the assets or the businesses of the Borrower or the value of the security hereunder) by this Agreement.

5.13 Will not permit any of the Railcar Collateral to become an accession or improvement to, or affixed to, other property in which Lender does not hold a security interest.

5.14 Will not permit any accounts or other sums owed to Borrower to be evidenced by a note or other instrument without the prior written consent of Lender, which consent may be conditioned upon delivery by Borrower to Lender of the note or other instrument, endorsed by Borrower to the order of Lender.

5.15 Will advise Lender in advance of any acquisition of any additional locomotives and railcars, if such acquisitions are permitted pursuant to the Loan Agreement.

6. Impositions; Protection of Lender's Interests. To protect, perfect, or enforce, from time to time, Lender's rights or interest in the Railcar Collateral, Lender may, in its discretion (but without any obligation to do so), (i) discharge any liens (other than Permitted Exceptions so long as no Event of Default has occurred) at any time levied or placed on the Railcar Collateral, (ii) pay any insurance, (iii) maintain guards where any Railcar Collateral is located if an Event of Default has occurred and is continuing, and (iv) obtain any record from any service bureau and pay such service bureau the cost thereof. All costs and expenses incurred by Lender in exercising its discretion under this Section 6 will be part of the Obligations, payable on Lender's demand and secured by the Railcar Collateral.

7. Lender's Duty of Care. Lender shall have no duty of care with respect to the Railcar Collateral except that Lender shall exercise reasonable care with respect to the Railcar Collateral in Lender's custody. Lender shall be deemed to have exercised reasonable care if (i) such Railcar Collateral is accorded treatment substantially equal to that which Lender accords its own property or (ii) Lender takes such action with respect to the Railcar Collateral as Borrower shall request in writing; however, neither (a) Lender's failure to comply with any such request or to do any such act requested by Borrower nor (b) Lender's failure to take steps to preserve rights against any persons in such Railcar Collateral shall be deemed a failure to exercise reasonable care. Borrower agrees that Lender has no obligation to take steps to preserve rights against any prior parties.

8. Appointment of Attorney-in-Fact. The Borrower hereby irrevocably appoints Lender as Borrower's attorney-in-fact to do all acts and things which Lender may deem necessary or appropriate to perfect and continue perfected the security interest in the Railcar Collateral granted pursuant to this Agreement and to protect the Railcar Collateral, including, but not in any way limited to, the execution and filing of any security agreement, UCC-1 and other Financing Statements covering the Railcar Collateral in Borrower's name, as Borrower's attorney-in-fact, wherever and whenever Lender deems appropriate. All fees and taxes required for or in connection with filing such security agreements and Financing Statements shall be paid for by the Borrower on demand

of Lender and if paid by Lender, the Borrower shall provide reimbursement therefor, with interest thereon at the Applicable Rate, immediately upon request of Lender.

9. Events of Default. The occurrence of any "Event of Default" as defined in the Loan Agreement which is one of the Loan Documents referred to in Schedule 1 to this Agreement shall be deemed an "Event of Default" hereunder.

10. Remedies. Upon the occurrence of any Event of Default under this Agreement, Lender may declare all of the Obligations to be automatically and immediately due and payable in full, without demand or notice of any kind, and Lender shall have all rights and remedies in and against the Railcar Collateral and otherwise of a secured party under the Uniform Commercial Code of Kentucky (or such other state where any part of the Railcar Collateral may be located, if applicable) and all other applicable laws, and shall also have all rights and remedies provided herein, and in any other agreements between the Borrower and Lender, all of which rights and remedies shall, to the fullest extent permitted by law, be cumulative. Lender shall have the right to sell the Railcar Collateral at public or private sale(s) in one or more lots. Lender shall have the right to have the Railcar Collateral and all of the records pertaining to the Railcar Collateral delivered to Lender by Borrower at a place reasonably convenient to Lender and Borrower. If the Railcar Collateral consists in whole or in part of accounts, general intangibles and/or contract rights, Lender shall have the right to notify all obligors of any of the same that the same have been assigned to Lender and that all payments thereon are to be made directly to Lender, and to settle, compromise, or release, on terms acceptable to Lender, in whole or in part, any amounts owing on such accounts, general intangibles and contract rights, and to enforce payment and prosecute any action or proceeding with respect to same, and to extend the time of payment, make allowances and adjustments to and issue credits in the name of Lender or Borrower. Borrower will pay, as part of the Obligations secured hereby, all amounts, including but not limited to Lender's reasonable attorneys' fees, where permitted by applicable law, and all sums paid by Lender [i] for taxes, levies and insurance on, repair to, or maintenance of, the Railcar Collateral, and [ii] in taking possession of, disposing of, or preserving the Railcar Collateral, with interest on all of same at the Applicable Rate. Lender may bid upon and purchase any or all of the Railcar Collateral at any public sale thereof. Lender may dispose of all or any part of the Railcar Collateral in one or more lots and at one or more times and from time to time, and upon such terms and conditions, including a credit sale, as Lender determines in Lender's sole discretion. Lender may sign any indorsements, assignments or other instruments of conveyance or transfer in connection with any disposition of the Railcar Collateral. Lender may apply the net proceeds of any such disposition of the Railcar Collateral or any part thereof, after deducting all costs incurred in connection therewith, including Lender's reasonable attorneys' fees, and costs and expenses incidental to the holding, or preparing for sale, in whole or in part, of the Railcar Collateral, and with interest thereon at the Applicable Rate, in such order as Lender may elect, to the Obligations and any remaining proceeds shall be paid to Borrower or other party entitled thereto.

11. Notice of Disposition; Allocations. If any notice is required by law to effectuate any sale or other disposition of the Railcar Collateral, (i) Lender will give Borrower written notice of the time and place of any public sale or of the time after which any private sale or other intended

disposition thereof will be made, and at any such public or private sale, Lender may purchase all or any of the Railcar Collateral; and (ii) Lender and Borrower agree that such notice will not be unreasonable as to time if given in compliance with this Agreement ten (10) Business Days prior to any sale or other disposition.

12. Termination. This Agreement and the security interest and the rights of Lender hereunder shall terminate on the date that all of the Obligations have been paid in full or otherwise discharged to the complete satisfaction of Lender. Upon such termination, Lender shall, upon request of, and at the cost and expense of Borrower, execute and deliver for filing in each office where any security agreement or financing statement relative to this Agreement shall have been filed, termination statements terminating Lender's interests in the Railcar Collateral.

13. Notices. Except for any notice required under applicable law to be given in another manner, any notice given under this Agreement shall be given in the manner stipulated by the Loan Agreement.

14. Indemnification. In consideration of the execution and delivery of the Loan Agreement and the making of any Loan to Borrower, Borrower will indemnify and hold Lender, and Lender's directors, affiliates, and agents (for the purposes of this Section 14 each is an "Indemnified Party") harmless from and against any and all claims, losses, obligations and liabilities arising out of or resulting from any or all of (i) this Agreement and (ii) the transactions contemplated by this Agreement (including enforcement of this Agreement), except for claims, losses or liabilities resulting from an Indemnified Party's gross negligence, bad faith or willful misconduct. The indemnification provided for in this Section 14 is in addition to, and not in limitation of, any other indemnification or insurance provided by Borrower to Lender.

15. Acknowledgments and Waivers. Borrower agrees that the whole or any part of the Railcar Collateral and any other security now or hereafter held for any of the Obligations secured hereby may be exchanged, compromised or surrendered by the Lender from time to time; that any guarantor, now or hereafter, of any of the Obligations, and any pledgors of collateral now or hereafter for any of the Obligations may be released in whole or in part from time to time; that any of the Obligations may be renewed or extended or accelerated, in whole or in part from time to time; that any of the provisions of any of the Loan Documents or of any other instrument or agreement securing, guaranteeing or otherwise pertaining to the Obligations may be modified or waived on one or more occasions; and that Borrower and the Railcar Collateral pledged hereunder shall remain bound hereunder notwithstanding any such exchanges, compromises, surrenders, extensions, renewals, accelerations, indulgences or releases, all of which may be effective without notice to or further consent by Borrower and none of which shall affect the right of the Lender to pursue the remedies available to the Lender under this Agreement or otherwise. The ability of Lender to pursue its remedies hereunder with respect to the Railcar Collateral shall be direct and immediate and not conditional or contingent upon the pursuit of any remedies against Borrower or any other person or entity or against any or all of the other security or liens available to the Lender for the payment of the Obligations secured hereby. Borrower hereby waives any claim to marshalling of assets, any

right to require that any action be brought against Borrower or any other person or entity prior to the exercise by Lender of its remedies with respect to the Railcar Collateral, and waives any right to require that resort be had to any security apart from the Railcar Collateral, or to any balance of any deposit account or credit on the books of Lender in favor of Borrower or any other person or entity prior to action by Lender hereunder to realize upon the Railcar Collateral.

16. Other Provisions and Conditions.

16.1 Without limiting the generality of Section 2 hereof, the security interest created by this Agreement attaches to all types of property described in the Agreement and hereafter acquired by Borrower, whether as replacement for any of the Railcar Collateral or otherwise.

16.2 This Agreement shall bind Borrower and its successors and assigns and shall inure to the benefit of Lender and its successors and assigns.

16.3 Time shall be of the essence in the performance by the Borrower of all the covenants, obligations and agreements of Borrower hereunder.

16.4 The invalidity or unenforceability of any provision hereof shall not affect or impair the validity or enforceability of any other provisions of this Agreement.

16.5 As used herein, as appropriate, the singular use includes the plural, and the plural includes the singular.

16.6 All exhibits and schedules attached to this Agreement are an integral part hereof and are incorporated herein as though fully set forth at this point.

16.7 No course of dealing in respect of, nor any omission or delay in the exercise of, any right, power, remedy or privilege vested in Lender by this Agreement shall operate as a waiver thereof, and any waiver by Lender shall only be effective if in writing and signed by an officer of Lender.

16.8 No amendment or modification of any provision of this Agreement, nor consent to any departure by any party therefrom, shall be binding and effective unless the same shall be in writing and signed by a duly authorized representative of Lender, which writing shall be strictly construed.

16.9 The several captions and section headings of this Agreement are inserted for convenience only and shall be ignored in interpreting the provisions of this Agreement.

16.10 This Agreement contains the final, complete and exclusive agreement of the parties pertaining to its subject matter and supersedes all prior written and oral agreements pertaining thereto.

16.11 This Agreement may be executed in any number of counterparts and by any combination of the parties to this Agreement in separate counterparts, each of which counterparts shall be an original and all of which taken together shall constitute one and the same Agreement, and it shall not be necessary in order to prove the execution and delivery of this Agreement by all of the parties to it to produce or account for any particular number of counterparts so long as the signature of each of the parties is affixed to at least one of those counterparts which are produced.

17. Governing Law. This Agreement was negotiated in the Commonwealth of Kentucky, the promissory note or notes secured by this Agreement were delivered by Borrower and accepted by Lender in the Commonwealth of Kentucky, and the proceeds of the promissory note or notes secured hereby were disbursed from the Commonwealth of Kentucky, which state Borrower and Lender agree has a substantial relationship to Borrower and Lender and to the underlying transactions in connection with which this Agreement was granted. This Agreement, including matters of construction, validity and performance, and the obligations arising hereunder, shall be construed in accordance with and otherwise governed in all respects by the laws of the Commonwealth of Kentucky applicable to contracts made and performed in such state and any applicable law of the United States of America, except to the extent the UCC provides that matters of perfection and priority of the liens and security interests created by this Agreement shall be governed by the law of another state and except to the extent that enforcement of such liens and security interests in tangible Railcar Collateral is governed by the laws of the state in which such Railcar Collateral is located at the time enforcement is sought.

18. Consent to Jurisdiction and Venue. Borrower hereby consents to the jurisdiction of any state or federal court located within the County of Jefferson, Commonwealth of Kentucky, and irrevocably agrees that, subject to Lender's sole and absolute election, any actions relating to the Obligations secured hereby shall be litigated in such courts, and the Borrower waives any objection Borrower may have based on improper venue or forum non conveniens to the conduct of any proceeding in any such court. Nothing contained in this Section shall affect the right of Lender to bring any action or proceeding against the Borrower or the property of Borrower in the courts of any other jurisdiction.
